Dear Shubham

We thank you for sparing your valuable time and delivering an informative and thought provoking session for our students on the topic "Mindset for the future and technology you need to know to get a job in IT in 2021" on 6th Feb, 2021.

Students really learned many things about how industry works, the skill sets required in the industry and the various platforms students need to know in near future. Your valuable guidance on social networking will definitely help students in connecting with HR's and Industry.

Students really enjoyed and benefited from your fantastic session. I also thank Mr. Hanuman Karhale, Speaker Valley for connecting us with you. Thank you again and hoping for next session.
