Our Principal started the programme by cleaning the corners of the play ground. Then the staff and students followed suit. Some of us picked brooms and started our job. Some of the students did the dusting of the rooms.

And others went to the play ground and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins. After doing this job for two to three hours, there we gave refreshment to all in the form of bananas and tea.

Thereafter our Principal Dr.Kotgire S.L.delivered the speech telling us the importance of sanitation. He also honored the sweepers of the college for their noble job. In the end we all took oath of keeping our home, locality and city clean. It was a unique experience for all of us. We were curious to be the part of this great drive that could have transformed the face of our country for ever.
