Commemorative Days are an annual celebration held by our institute to recognize and remember the national leaders who have given so much of themselves for our country. These days serve as both a memorial to the enduring heritage of people who have formed our nation and a reflection of its history. Commemorative Days provide a reminder of the ideals and standards that our country's leaders have preserved. They motivate us to pursue their goal of a society that is harmonious, affluent, and just. These days provide us with a chance to consider their accomplishments and reaffirm our dedication to the principles they supported.

Every year on February 27, "Marathi Bhasha Din" (मराठी भाषा दिन) is observed to honor and promote the Marathi language. The well-known Marathi poet Vishnu Vaman Shirwadkar, popularly known as Kusumagraj, was born on this day in 1896. The richness of Marathi literature and its cultural legacy are highlighted through a variety of literary events, cultural programmes, and other activities held on this day. To promote love and respect for the Marathi language, schools, institutions, and other organizations from Maharashtra and other Marathispeaking regions take part in these festivals.
