Memorandum of Understanding (MoU)

Between

Predrag System LLP, Nanded

&

MGM's College of Computer Science & IT, Nanded

Memorandum of Understanding (MoU)

1. Predrag System LLP, a complete software and IT company with its Head Office at OSRA Partment-2, Naik Nagar, Nanded, hereinafter referred to as the 'First Party' and MGM's College of Computer Science & IT Nanded, with its registered office at Airport Road, Nanded, hereinafter referred to as 'MGM's CCSIT, Nanded'), which expression shall, unless it is repugnant to the context thereof, be deemed to mean and include its trustees, successors, and permitted assigns, of the second party.

Whereas, Predrag System LLP and MGM's College of Computer Science & IT Nanded

propose to establish a Center of Excellence to foster a strong partnership and facilitate mutually beneficial activities in the fields of technical, managerial, and social knowledge sharing, resource optimization, educational enhancement, expertise augmentation, and becoming a role model for industry-institute interaction. Now, the parties agree as follows:

Objective:

The objective is to foster collaboration between "Predrag System LLP" and its associate companies with MGM's College of Computer Science & IT, Nanded, through the following activities:

- Predrag System LLP will share practical IT knowledge with students.
- Faculty from MGM's College of Computer Science & IT, Nanded, will design and conduct Management Development Programs (MDPs) for Predrag System LLP.
- Predrag System LLP will organize faculty development programs (FDPs) for the faculty and workshops, value added courses, internship and on job training for students, focusing on the latest industry trends and demands.
- Organizing industrial visits for students to Predrag System LLP companies.
- Sharing facilities and infrastructure for various purposes.
- MGM's College of Computer Science & IT, Nanded, will provide access to seminar halls, library areas, and computer labs to support Predrag System LLP in conducting training programs for its employees.
- Facilitating placements and internships for students, encouraging them to undertake product research or development projects.
- Encouraging student participation in product research or development projects.
- Predrag System LLP and its associate companies will jointly promote social programs for society, including Corporate Social Responsibility (CSR), environmental initiatives, and educational endeavors, as specified above.
- Additionally, any other initiatives, activities, or programs not mutually discussed and agreed upon will be subject to approval.
- During the MoU, Predrag System LLP will provide training to students in various technologies such as WordPress, PHP, MySQL, application development, e-commerce applications, and web development. The aim is to empower students towards self-employment opportunities.
- Predrag System LLP's primary objective is to enable every student to become self-employed. Following workshops or training sessions, students will have the opportunity to work on live projects and earn income.

Joint Certification:

Upon the conclusion of any collaborative exercise, participants will receive a certificate of merit duly signed by both institutions.

Action Plan:

- A committee shall be established under the joint leadership of the Head of Predrag System LLP and MGM's College of Computer Science & IT, Nanded. Each institution will nominate two officials, and minutes of the meetings will be diligently maintained.
- Both institutions shall appoint a liaison officer to develop and coordinate the specific activities agreed upon.
- The committee will convene monthly to plan activities, delegate responsibilities, seek internal approvals for any incurred costs, and reach satisfactory conclusions.
- With the vision and goal of fostering self-employment among students, Predrag System LLP and MGM's College of Computer Science & IT, Nanded, hereby enter into this MoU.

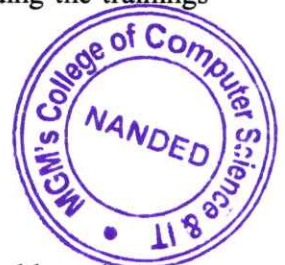

Terms and Conditions:

- The purpose of this Memorandum of Understanding is solely to express the intentions of the parties and is not intended to be legally binding on either party.
- The terms of cooperation for each specific activity contemplated under this Memorandum of Understanding, including the associated costs, shall be mutually discussed and agreed upon in writing by both parties prior to the initiation of that activity.
- This Memorandum of Understanding imposes no financial obligations on either party.
- Each party acknowledges that the other party may have, or will have, arrangements of a similar or different nature with other institutions during the term of this Memorandum of Understanding.
- Each party shall maintain confidentiality regarding any information received from the other party. The publication of any jointly developed material will be considered confidential and shall not be shared in any public forum or with any third party without prior consent.
- This memorandum shall remain in effect for an unlimited period from the date of its execution by both parties. Either party may terminate this Memorandum of Understanding by providing seven days' written notice to the other party.
- The terms of cooperation may be extended beyond those specified in this Memorandum of Understanding, subject to discussion and mutual agreement between the two parties.
- Predrag System can conduct four workshop sessions annually on various technologies aimed at promoting self-employment and facilitating student placements.
- Additionally, this MoU remains valid for an unlimited period from the date of signing and will be subject to renewal based on feedback received from students regarding the trainings and workshops provided.

Miscellaneous:

a. Invalidity:

If any provision of this MOU, or any portion thereof, is deemed invalid or unenforceable under any applicable statute or rule of law, the remainder of this MOU will remain in full force and effect. The

invalid or unenforceable provision will be considered omitted, and this MOU will be construed as if such provision had not been included.

b. No Waiver:

No term or provision of this MOU shall be considered waived by either party, nor shall any breach be excused by either party, unless such waiver is provided in writing and signed on behalf of the party against whom the waiver is sought. Any consent or waiver of a breach by either party, whether express or implied, shall not constitute consent to, waiver of, or excuse of any other, different, or subsequent breach by either party.

c. Entire Agreement:

This MOU constitutes the entire understanding between the parties concerning the subject matter herein and supersedes all prior negotiations, understandings, and agreements between them. No amendment or modification of this MOU shall be effective unless made in writing and signed by both parties.

d. Independent Contractors:

This MOU does not establish a joint venture, partnership, or formal business organization between the parties. Each party is an independent contractor and shall not have the authority to bind the other without prior written approval.

e. Publicity:

Neither party shall make any public or private agreements in connection with this MOU without the prior written approval of the other party.

f. Force Majeure:

Neither party shall be held liable for failing to perform its obligations under this MOU due to circumstances beyond its control, including but not limited to acts of government, disasters, acts of terrorism, riots, power failures, or events reasonably beyond the control of such party.

g. Governing Laws:

This MOU shall be governed by the laws of India.

h. Dispute Resolution:

Any disputes or differences arising in relation to this MoU shall be settled through mutual discussions between the parties within thirty (30) days. If the parties fail to resolve the disputes amicably within the specified period, this MoU shall be terminated.

In witness thereto, **PreDrag System and MGM's College of Computer Science & IT** signed a Memorandum of Understanding to be executed by their duly authorized representatives on the dates, months, and years mentioned above. thirty (30) days. In case the parties fail to amicably settle the disputes or differences within the aforesaid period, this MoU shall stand terminated.

**MEMORANDUM OF UNDERSTANDING (MoU)
FOR**

Collaborative Social Activities

Between

**Mahatma Gandhi Mission's College of Computer Science and IT, Nanded
MGM's Campus, Near Airport, Hingoli Road, Nanded - 431605**

And

**Navjyot Foundation
GuruKrupa Market, Near Mahaveer Chowk, Nanded**

This Memorandum of Understanding (MoU) sets forth the terms and understanding between Mahatma Gandhi Mission's College of Computer Science and IT, Nanded (hereinafter referred to as "MGM College") and Navjyot Foundation to collaborate on social activities aimed at benefiting the community.

Purpose

This MOU is intended to:

- Provide students with opportunities to engage in social activities that benefit the local community.
- Increase students' awareness of social issues and encourage active participation in addressing these challenges.
- Instill a sense of civic duty and responsibility by involving students in community service projects.
- Encourage students to volunteer their time and skills for various social causes and community initiatives.
- Develop leadership skills by involving students in the planning and execution of social activities and projects.
- Create partnerships between educational institutions, NGOs, and local communities to foster collaborative efforts in social development.
- Encourage innovative approaches to solving social problems and support the implementation of student-led social projects.
- Enhance students' communication skills through interaction with diverse groups and participation in community outreach programs.
- Provide students with opportunities to apply their problem-solving skills in real-world social contexts.
- Encourage activities that promote inclusivity, diversity, and understanding among different community groups.
- Offer workshops and training sessions to equip students with the skills needed for effective community service and social activism.

Responsibilities

This Memorandum of Understanding (MOU) is established between MGM College and Navjyot Foundation to formalize a collaborative partnership aimed at enhancing community development through various social activities. Both parties recognize the importance of leveraging their unique strengths and resources to create meaningful and sustainable impacts within the community. The following responsibilities are outlined:

Responsibilities of MGM College:

1. Recruit and mobilize students and faculty members to participate in social activities.
2. Contribute expertise and resources in technology, education, and community outreach.
3. Organize and conduct workshops, seminars, and training sessions for community members.
4. Track the progress and impact of activities, and report outcomes to both parties involved.

Responsibilities of Navjyot Foundation:

1. Share knowledge in community development, health services, and project management.
2. Help in organizing and promoting social activities within the community.
3. Partner with MGM College to measure and evaluate the success of the initiatives.

Joint Responsibilities:

1. Schedule and hold regular meetings to plan, review, and coordinate activities.
2. Share Information: Exchange relevant information and updates in a timely manner.
3. Collaborative Problem-Solving: Work together to address challenges and ensure the success of the initiatives.
4. Continuously evaluate the impact of social activities and make necessary adjustments for improvement.

Other Details

This MoU shall be effective from 26th Jan 2022 to 25th Jan 2027, unless terminated earlier by either party with a 60-days written notice. Each party will bear its own costs and expenses unless otherwise agreed upon in writing. Any shared financial contributions will be documented and agreed upon separately. Both parties agree to maintain the confidentiality of any non-public information shared during the collaboration and not disclose it to any third parties without prior consent. This MoU may be amended or modified only in writing and signed by authorized representatives of both parties.

This MoU may be terminated by either party with a 60-days written notice to the other party. Upon termination, both parties agree to coordinate the winding down of activities and responsibilities.

This **Memorandum of Understanding** (herein after called as the 'MOU') is executed on **01/12/2021**

MGM's COLLEGE OF COMPUTER SCIENCE AND IT, NANDED, the **First Party**, and represented herein by its Principal, **Prof. Shirish L. Kotgire** (herein after referred as '**First Party**')

AND

MORE HEALTH CARE, WAMAN NAGAR, NANDED, the **Second Party**, and represented herein by its **Founder, Mr. Vinay P. Hibare** (herein after referred to as '**Second Party**')

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is a Higher Educational Institution named: MGM's College of Computer Science and IT, Nanded.
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) MORE HEALTH CARE, WAMAN NAGAR, NANDED, the Second Party is engaged in Business, Manufacturing, Skill Development and R&D Services.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MOU

The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

Industrial Training & Visits: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career.

Research and Development: Both Parties have agreed to carry out the joint research activities in the fields of Biotechnology/Botany/Bioinformatics.

Skill Development Programs, On Job Training, Internship : Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

Guest Lectures/Seminar: Second Party to extend the necessary support to deliver guest lecturers/seminar to the students of the First Party on the IPR/ patents/ entrepreneurship technology trends and in house requirements.

There is no financial commitment on the part of the MGM's College of Computer Science and IT, Nanded, the First Party to take up any programme mentioned in the MOU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

Nothing contained in this MOU shall, by express grant, implication, estoppels

or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

This Agreement will be valid for next five years or until it is expressly terminated by either Party on mutually agreed terms, during which period MORE HEALTH CARE, WAMAN NAGAR, NANDED, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of MORE HEALTH CARE, WAMAN NAGAR, NANDED, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.

Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

SpeakerValley

MEMORANDUM OF UNDERSTANDING (MOU)

Between

MGM's College of Computer Science and Information Technology, Nanded. & SpeakerValley.

(MOU signed at MGM's College of Computer Science & IT on 04th Jan 2021)

MGM's College of Computer Science & IT, Nanded has entered into a Memorandum of Understanding (MoU) with SpeakerValley for providing the opportunity of interacting with Industry Experts of Current Trending Technologies, Businesses, Start-up, Soft skills, Programming Technology. SpeakerValley Provide expert for Guest Speakers, Guest Lecturer, Custom Programs, and workshops. We agree on Promoting and reinforcing cooperation, mutual exchange of Information and Technological know-how, Self-Development, internships and placements, improvement of research, and academic programmers.

The signing ceremony was done at MGM's College of CS & IT on 04th Jan 2021 in the presence of the officials from MGM's College of Computer Science & Information Technology and SpeakerValley. For the signing of the MoU, MGM's College of Computer Science & Information Technology was represented by its Principal Dr. Kotgire S.L. while SpeakerValley was represented by its Founder, Mr. Hanuman Karhale.

The MOU states that the two organizations will honour the agreement by:

- i. Promoting Interaction between SpeakerValley and the College of CS & IT in the mutually beneficial area of providing industry experts for Current Trending Technologies, Businesses, Start-up, Soft skills, Programming Technology. SpeakerValley will Provide expert for Guest Speakers, Guest Lecturer, Custom Programs, and workshops.
- ii. Sharing knowledge and capability in the concern areas for mutual benefits and become trusted partners in the area of knowledge enrichment.
- iii. To collaborate, share information, and technology to develop the required skills and intend to create a centre of excellence to support this collaborative effort.

To support the institute in the following activities

- i. Providing Industry expert on any Topic
- ii. Capability development of the students
- iii. Soft skill development of students x'
- iv. Help students in internship, Placement.
- v. Trending Technologies, Businesses, Start-up
- vi. Workshops, Conclave, seminars, Events

Vii. Expert for Guest Speakers, Guest Lecturer, Custom Programs.

The Memorandum signed will be the guiding document for both the parties for the execution of the actions and initiatives in the near future. Both the organizations will encourage their members to define the overall strategy and roadmap to carry out the action points contained in it and report on the progress achieved at regular intervals.

During the signing ceremony, Dr. Kotgire S.L. MGM's College of Computer Science & Information Technology welcomed the proposal and said that the Industry expert opportunities provided to students by SpeakerValley will enable students to know how the IT Industry work and help them to self-development and career development. Now students can face any opportunities with confidence. It will also help them get the first-hand experience and make them industry-ready by the end of their graduation.

Mr. Hanuman Karhale, Founder of, SpeakerValley said that the company is also excited and looks forward to a fruitful association with MGM's College of Computer Science & Information Technology. He added all possible help with regards to getting expert for Guest Speakers, Guest Lecturer, Custom Programs, and workshops. He also added that these Expert series events will be a mutually beneficial value addition to both the giants for a win-win situation. The signing off ceremony ended with a note to make this initiative a role model for Academic Industry Linkages.

The terms and provisions in this MOU also apply to any subsequent Addendum to this agreement.

IN WITNESS WHEREOF, the parties hereto have executed this MOU on the day of 4th, Jan, 2021.

RENEWAL - MEMORANDUM OF UNDERSTANDING (MoU)

FOR

Strengthening Industry-Academia Engagement

Between

MGM's College of Computer Science and IT, Nanded
MGM's Campus, Near Airport, Hingoli Road, Nanded - 431605.

And

Elite Softwares, Pune
CoHive, Dnyanvatsal Commercial Complex, Opp. Vandevi Mandir, Karve Road,
Kothrud, Pune, Maharashtra- 411052

INTRODUCTION

This Memorandum of Understanding (MoU) is formulated and mutually accepted to foster collaboration between **Mahatma Gandhi Mission's College of Computer Science and IT, Nanded – 431605** and **Elite Softwares (Software Company) located at CoHive, 3rd Floor, Dnyanvatsal Commercial Complex, Opp. Vandevi Mandir, Karve Road, Kothrud, Pune – 411052** with the aim of strengthening industry-academia engagement..

PREAMBLE

MGM's College of Computer Science and IT, Nanded, stands as a premier institution for **Computer Science and IT education in the region, offering academic excellence to ambitious students**. Recognizing the importance of supplementing academic learning with practical industrial exposure, both students and faculty must stay abreast of the latest technological **trends. Achieving this objective necessitates collaborative efforts between academic institutions and industries, aiming for the betterment of society**. Elite Softwares is committed to fostering innovation and collective learning in product design and development within the local industry by providing tailored support. Elite Softwares **facilitates appropriate technology transfer and the adoption of emerging technologies**. Through collaborative endeavors, technical skills and awareness of industry trends can be strengthened. This Memorandum of Understanding between Elite Softwares and MGM's **College of Computer Science and IT, Nanded, is exclusively focused on enhancing students' technical skills**.

PURPOSE

The purpose of this Memorandum of Understanding between Elite Softwares and MGM's College of Computer Science and IT, Nanded, is to enhance Industry-Academia Engagement through mutual cooperation, aiming to foster collaboration between the two institutions for improved outcomes.

OUTLINE OF THE ROLES

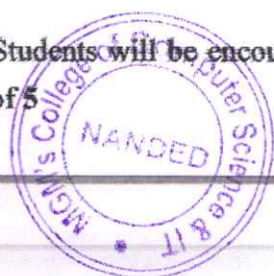

The following roles are envisioned, with detailed arrangements to be determined in a separate Memorandum of Agreement:

MGM's College of Computer Science and IT, Nanded:

- ✓ Appointment of a faculty leader/team and enhancement of their competency levels to **support and coordinate the identification of joint skill development training and awareness programs.**
- ✓ Execution of the identified joint skill development training and awareness programs at MGM's College of Computer Science and IT, Nanded, and Elite Softwares, in **accordance with the agreed-upon plan.**
- ✓ Compliance with regulatory requirements for the identified joint skill development training and awareness programs.
- ✓ Provision of the brand of MGM's College of Computer Science and IT, Nanded, and **outreach mechanisms for marketing the identified joint skill development training and awareness programs.**
- ✓ Participation in and volunteering for relevant events organized by Elite Softwares.
- ✓ **Presentation of innovative technologies for operational environment testing.**

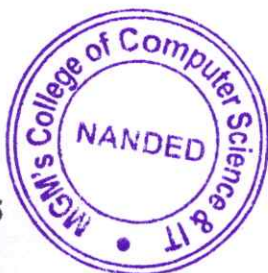

Elite Softwares, Pune:

- ✓ **Elite Softwares is particularly focused on enhancing students' self-employment abilities and entrepreneurship programs, enabling students to earn and compete with industry requirements while learning.**
- ✓ Under this MoU, Elite Softwares aims to bridge the gap between industry requirements and academic syllabus, **providing internship opportunities in various technologies.**
- ✓ Elite Softwares will establish a "WEB DEVELOPMENT CELL" within your college campus, allowing students to interact with live client requirements.
- ✓ **Through entrepreneurship and the WEB DEVELOPMENT CELL, Elite Softwares will provide students with live projects for hands-on client experience and issue experience letters to those who work on live projects during their academic tenure.**
- ✓ Elite Softwares will design and organize Faculty Development Programs (FDP) for College Faculty on the latest trends and demands of industries.
- ✓ The MoU will facilitate placements and internships for students.
- ✓ **Students will be encouraged to undertake product research or product development**

projects of Elite Softwares or its associate companies.

- ✓ With college permission, representatives from Elite Softwares will visit the campus once a month to interact with students, motivate them, and provide updates on the latest technology trends.
- ✓ This MoU aims to instill self-independence in every student, preparing them to work on live projects during their academic tenure, be ready for placement interviews, and build confidence using our self-employment unit. It aims to instill a professional attitude in students, making them industry-ready.
- ✓ Elite Softwares will offer infrastructure for the execution of joint skill development training and awareness programs.
- ✓ Elite Softwares will provide expertise for the planning and execution of the identified joint skill development and awareness programs.
- ✓ Elite Softwares will contribute to the competency development of the team for the identified joint program.
- ✓ Elite Softwares will facilitate internships for students engaged in joint skill development and awareness programs based on the needs of Elite Softwares and other programs at MGM's College of Computer Science and IT, Nanded.
- ✓ Elite Softwares will provide opportunities for faculty at MGM's College of Computer Science and IT, Nanded, to engage with industry experts for continual improvement.
- ✓ Elite Softwares will facilitate engagements with the industry for various joint initiatives.

1. Duration / Term of the MoU:

This MoU shall be valid for five (5) years from the date of its inception and may be mutually extended from time to time in writing by both institutes.

2. Changes / Amendment:

No changes can be made to this MoU without the written consent duly signed by both institutes. Additions, deletions, and/or alterations to this MoU may be made with the written agreement of both institutes concerning the changes.

NUCLEUS

Nucleus Technologies

**MOU signed between MGM's College Of CS and IT, Nanded and
Nucleus Technologies.**

(MOU signed at MGM's College Of CS & IT on 19th Nov 2018)

MGM's College of CS & IT, Nanded has entered into a Memorandum of Understanding (MoU) with Nucleus Technologies for promoting and reinforcing cooperation, mutual exchange of Information and Technological know-how, joint collaborative work in R&D projects, curriculum development, internships and placements, infrastructure development, improvement of research and academic programmers and also exchange of experts and researchers.

The signing ceremony was done at MGM's College Of CS & IT on 19th Nov 2018 in the presence of the officials from MGM's College Of CS & IT and Nucleus Technologies. For the signing of the MoU, MGM's College Of CS & IT was represented by its Principal Dr. Kotgire S.L. while Nucleus Technologies was represented by its HR, Mr. Sachin Dhumal

The MOU states that the two organizations will honor the agreement by:

Promoting interaction between Nucleus Technologies and College Of CS & IT in mutually beneficial areas of Upcoming technologies in the principal technical and research areas of Software defined Networks, Self Optimizing Networks, Network Functions Virtualization, Robotics, Digital solutions, other related areas in Telecom and networking and initiate joint (pilot) projects in this realm

Sharing knowledge and capability in the concern areas for mutual benefits and become trusted partners in the area of knowledge enrichment.

Facilitate work from College Of CS & IT students/ facilities and Vice versa on projects identified for collaborative business.

To conceptualize the research projects to be executed in collaboration on need basis.

To collaborate, share information and technology to develop the required skills and intend to create a centre of excellence to support this collaborative effort.

To support the institute in following activities

- i. Research work leading to M.Sc
- ii. Laboratory/ infrastructure Development
- iii. Capability development of the students
- iv. Sponsored projects
- v. Recruitment
- vi. Publication, Product and Patent
- vii. Workshops, Conclave, seminars, Events

The Memorandum signed will be the guiding document for both the parties for execution of the actions and initiatives in the near future. Both the organizations will encourage its members to define the overall strategy and roadmap to carry out the action points contained in it and report on the progress achieved at regular intervals.

During the signing ceremony, Dr. Kotgire S.L. College Of CS & IT welcomed the proposal and said that the industry internship opportunities provided to the students through his association will enable them to make optimum utilization of the free time available to them after exams, especially after second and third year of Course . It will also help them get the first hand experience and make them industry ready by the end of their graduation.

Mr. Sachin Dhumal, HR, Nucleus Technologies said that the company is also excited and look forward for a fruitful association with College Of CS & IT . He added all possible help with regards to curriculum designing, adding new Post Graduate courses, conducting guest lectures, sponsoring projects and other related academic. He also added that this will be a mutually beneficial value addition to both the giants for a win- win situation. The signing off ceremony ended with a note to make this initiative as a role model for Academic-Industry Linkages.

Memorandum of Understanding (MoU)

This MoU is legal agreement between **Nath IT Solution's** , House Number 1/10/476, **Nath Niwas, Second floor, Near Datt Mandir, Datt Nagar, Nanded – 431602.** and **Mahatma Gandhi Missions - Dept. Of Computer Science & IT, Nanded– 431605, Maharashtra.**("College") which is a signatory of the entire MoU.

RECITALS

Nath IT Solution's ("Company") is an end-to-end IT Solutions Company based in Maharashtra, India. Incorporated in the year 2013, NITS has gone from strength to strength, morphing from an Internet Solutions Provider to complete IT Solutions Company delivering Software Products, Web-based Applications, Client/Server Applications, Android Applications And Corporatel IT Traning & Workshops Facilities. We are striving to gain popularity based on the web related products and solutions and trend to become one of the most reputed companies in the country or may be beyond. We care for clients needs and desires and we work hard to assure success and satisfaction. Where as, College wishes to utilize the services of Nath IT Solutions in connection with the evelopment and Traning in the organisation.

THEREFORE, **Nath IT Solution's** and College agree as follows:

- To provide Technical Support in Traning and Development as well.
- To empouer the student in IT Education.
- To help every student in his endeavor.
- To ensure that he is able to apply the knowlege obtained his field.
- To ensure that College Students always be updatewith technology using such Guest. Lectures, Seminars Worshops an Tranings.

MoU WITH COLLEGE :

- This is an association between the company and the college in attendance.
- We will provide guest Lectures, Seminars and Technical workshops on college Requirement Basis and help in placement Assistance.
- We will come together in collaboration of development of softwares with college experts.
- Any query and doubt will be strived to eliminate with utmost satisfaction. We will put every effort to link knowledge and the work sector. Our agenda is to make each and every person empowered so that he/she can contribute to the IT Field.
- We want to be associated with one of the finest colleges in India. Hence, we are constantly on the lookout for the next best college where we can perform our knowledge transfer.
- Also, it is essential to donate as much knowledge we have gained to deserving people. Thus, what we call as 'Knowledge Domain' is waiting to be dispersed among students of many colleges.
- Our primary aim is to bridge the link between the growing demand for IT jobs and IT education. This is where the Knowledge Transfer comes in.
- Hence, apart from updating students about the latest software's, we also teach them about performing in the Interviews-that is, how to crack them; giving them tips and strong points to get selected etc.
- Hence, with this association, all our agendas are being satisfied and we are more than happy to be associated with such reputed colleges.

LIMITATIONS ON USE

- Company does not permit the utilization of its name/brand for use by any other association-partner, other company without prior permission. Breaching of the clause would lead to immediate legal action.

CONFIDENTIALITY :

Licensee agrees to observe completely with respect to the Company, and will not disclose to any information, copy, reproduce or alter the Information provided.

ENTIRE AGREEMENT :

This MoU is legal agreement between **Nath IT Solution's , House Number 1/10/476, Nath Niwas, Second floor, Near Datt Mandir, Datt Nagar, Nanded – 431602.** and **Mahatma Gandhi Missions - Dept. Of Computer Science & IT, Nanded– 431605, Maharashtra.**(“College”) which is a signatory of the entire MoU.
