### **Action Taken on Feedback received on curriculum (Academic Year 2021-2022)**

**Feedback analysis is a crucial part of improving any process. By carefully reviewing feedback from students and other stakeholders, we can identify areas where things are going well and areas that need improvement. Taking action on this feedback involves implementing changes based on the insights gained, aiming to enhance overall satisfaction and performance. This proactive approach ensures that we are continually learning and adapting to meet the needs and expectations of those students, parents and society.**
